## REMINDER - USED POSTAGE STAMPS

For many years now Girlguiding Buckinghamshire have been collecting used postage stamps and selling them with the proceeds being donated to The Royal National Institute for the Blind.

Used postage stamps can be given to your Division Commissioner for her to bring to any County Executive Meeting during the year or delivered to the County Office.

In order that we can obtain the most money for the stamps they should be trimmed to ¼ inch and sorted into 4 categories

- Foreign
- GB Xmas stamps
- Commemorative
- Definitive - our every day stamps

The more stamps we can collect the more we can donate to this very worthwhile cause so please support it if you possibly can.

Any Queries contact Pam Scott c/o County Office -
